"PAUL NOCQUET."

No Bruises on Body. Beside the will there was found the dead man's clothing \$30 in mone and a clasp knife. An examination of his body to-day disproved the state bruises to show that he had probably alighted. Such a statement had been attributed to Capt. Smith, who found the dead man yesterday. Capt. Smith had been searching for the body all day.

RUSSIAN MONASTERY LOOTED. ROSTOFF Province of Yarostav, Russia, April 5.-A gang of thieves Reissia. April 5.—A gang of thieves housed the Troitze Warmitzki Monastery during the night of April 3 and got away with \$23,000 and a quantity of warmitzki with the Register's office—that of examiner as a salary of \$1,680 a year.

Serious during the strike of 1992.

2. That the operators have reported to confide the allowance made to the by the Sullivans to-day. Daniel Flynn, of No. 57 Bowery, a district captain uniter for cutting through rock to a vein of coal, from an average and the ventilation of the mine stopped. Thomas Green, an empty of the sullivans to-day. Daniel Flynn, of No. 57 Bowery, a district captain uniter for cutting through rock to a vein of coal, from an average in the Register's office—that of examiner has to buy his own powder burned.

GALLANT KNIGHTS TAKE THE CITY IN SEVENTEENTH CENTURY STYLE

With Helmet and Breastplate, Lance and Shield, They Charge Through Streets.

AS IN AGE OF ROMANCE.

Town on Snow-White Horses.

Coroner William B. Savage, of came the long-drawn note of a cavalry bugie. Wall street turned in its hurry-this afternoon over the body of Paul Nocquet, the hapless sculptor and Clackety-clack-came the rhythamateur aeronaut, who perished in his mic chorus of horses' hoofs, and the desperate journey through the morass next instant there was a yell from a and marsh islands between Jones's throng of gamins and curb brokers as Beach and Amitaville, after the land-ing of his balloon. No autopsy will be seventeenth century and brave in its performed on the body.

That the inquest would carry any weapons swept around the corner and

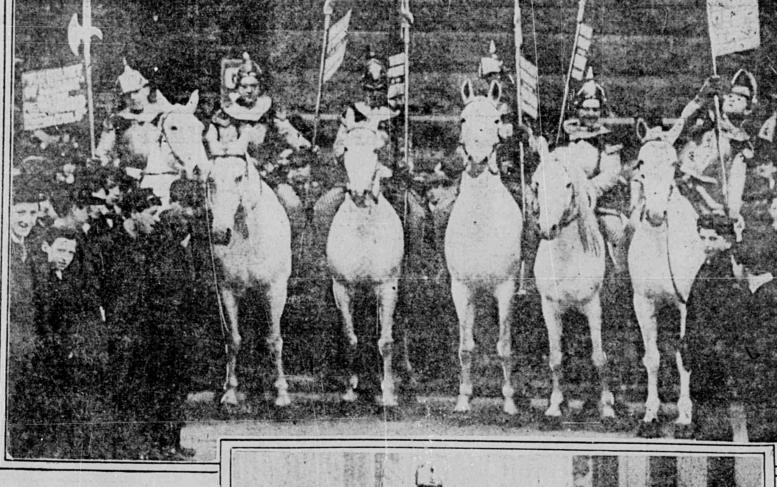

ight for life with all his evength clad in brave array-helmet and breastand died when his heart snapped under plate, greave and gauntlet, shield and the strain. A will leaving all his property to his mother was found in the sculptor's come to town, here was romance and clothing, and also a letter from a young brave deeds flaunting under their very

Lungs X-LIGHT DIAGNOSIS ginning of

the first urgent necessity to the cure of throat and lung

ment with the family doctor, who has neither the necessary experience nor apparatus for telling one lung

disease from another.

Learn the true condition of your lungs while there is yet time to be cured. Consumption is curable. It is preventable. Do not delay until in-

curable conditions develop.

By examination with his X-Light Dr. Anderson sees immediately whether the lungs are affected or not and what stage the disease is in. He loses no time AT THE START, and from the very first examination and diagnosis his patients receive the proper treatment. He does not simproper treatment. He does not simply relieve lung disease, but his X-Light photographs the disease, revealing the exact extent and stage, and then he CURES it.

No patient ever wastes any time in

being treated for the wrong disease, and the thousands of cured patients are living proofs of Dr. Anderson's

successful treatment.

These facts are not the result of & few experiments with a dozen pa-tients, but the success of nineteen years' experience as a lung specialis and seven years as the only expert X-Light Lung Specialist in New York. Consult Dr. Anderson, 50 West 22d St. (between 5th and 6th aves.), New York. Hours: Daily, 10 to 5. (Sundays, 11 to 2.) Monday, Wednesday and Friday evenings till 8. Examination and consultation given without charge. If unable to call, write.
